

Afternoon Tea

In association with The Vintage Tea Party

There's nothing quite like a proper English afternoon tea, and at Forkful we know how to lay on a proper spread!

Whatever the occasion, in our view a perfect tea menu consists of a scrumptious mix of elegant finger sandwiches, dainty savoury and sweet treats, and of course, scones with cream and jam. For occasions where you don't know the exact numbers of guests, we can help you work out a menu that will keep everyone happy. And for the ultimate afternoon tea event, we can arrange hire of beautiful vintage tea china to serve it all on.
